Why a Pre Design Study?

Challenges

- Existing gathering space is congested with limited space for seating
- Office area is difficult to find for visitors
- Existing restrooms need improvements to be fully accessible
- Existing nursery area is small, limited & not secure.
- Gathering area is dark and poorly lit

1. RESTROOMS ARE SMALL, LIMITED AND NOT FULLY ACCESSIBLE. CORRIDOR TO THEM IS NARROW
2. NARTHEX IS CONGESTED & ENCLOSED WITH LIMITED NATURAL LIGHT
3. OFFICE AREAS AND NURSERY SPACE DOES NOT FUNCTION WELL IN THESE LOCATIONS
4. EXISTING LIBRARY SPACE IS NOT USED AS WELL AS IT COULD BE

Goals for the Pre Design:

- A safe front door entrance to the church office that is fully accessible, visible & welcoming
- Accessible restrooms that can be seen from entry & worship space
- A welcoming nursery that can be seen and accessed from entry and worship area that is secured
- Enhance opportunities for fellowship in an open expanded gathering space and coffee area
- Natural lighting opportunities in the gathering space
- Welcome those with disabilities & make areas accessible

- Existing spaces with no updates
- Remodeling of existing restrooms & partial Library space into new church offices
- Remodeling of existing Pastors Office & Nursery into a larger Narthex gathering space, Coffee Station & coat area
- Remodeling of existing Office Reception into larger Restrooms & Family Restroom
- Renovated existing Library into a larger Nursery
